

Deadline for abstract submission extended to September 10th, 2010

INSTRUCTIONS TO PREPARE THE ABSTRACT

Abstracts will be published in Translational Biomedicine
www.transbiomedicine.com

- Please write the abstract in English.
- The cost of abstract processing is 15,00 €.
- Use a word processor (i.e. Word) to write the abstract, taking into account:
 1. Special characters should be inserted with the "Insert" "Symbol" of your word processor or alternatively using the corresponding ASCII code.
 2. Title: should not exceed 200 characters "with spaces."
 3. Authors: Last Name, Name (i.e. Perez, María). First author will be the presenting author. Different authors must be separated by semicolon.
 4. Affiliation: first lead workplace of the first author. If there is more than one affiliation, please precede each one by a number reference, except for the first author. (i.e. Authors: Cohen, José; 1López, María; Leme, Juan. Affiliation: INSERM, France; 1Cátedra de Inmunología, Facultad de Ciencias Exactas y Naturales, UNC, Córdoba, Argentina).
 5. Abstract: up to 2000 characters including spaces. The abstract should contain INTRODUCTION, AIM, RESULTS and CONCLUSIONS (It is not necessary that each section is headed by these titles). The INTRODUCTION must be brief stating the problem that conducted to work development. The AIM must be clearly formulated. The MATERIALS and METHODS must be described only if include no standard techniques or if the aim of the study is to validate a methodology. The results should be expressed with numerical values including their statistical significance. Where appropriate scientific assessments may include only as "increased", "inhibited", "was less than", but adding statistical significance. CONCLUSIONS must be derived from described results and must be referred to the aim that was previously stated. When studies involved healthy or sick human beings (prospective or retrospective, observational or intervention studies, medical records revisions), authorization of institutional committee of ethics would be required by the organization board. TABLES MAY NOT BE INCLUDED IN THE ABSTRACT.
 6. Save the abstract in your computer.
 7. Download the **abstract form** from the FAIC-cooperation.com [home page](#). Save the form before completing.
 8. COMPLETE the appropriate fields by copying and pasting from your Word file on each section of the form. FONT TYPE AND SIZE ARE PRESET. Under no circumstances modify the form.
 9. Keywords: you must enter 3.
 10. Complete the drop-down fields as follow:
 - Presentation: you must select ORAL or POSTER. The organizers reserve the option to change the type of presentation if appropriate.
 - Session: Select the appropriate session.

- Award: you can apply to Leonardo Satz Award from the Argentinean Society of Immunology (instructions) or to the Best Clinical Work Award from the Argentinean Society of Pediatrics (SAP) (see instructions for more oral or poster).
- Save the file named with the surname and name of the first author separated by hyphen (eg. Perez-analia.doc). If you send two or more abstract, please add a number at the end of the name (Example: perez-analia1.doc; perez-analia2.doc).
- Along with the summary you should send: 1) the form of payment and fees summaries complete with details of what you are paying. <http://www.inmunologia.org.ar/formularios.htm> 2) scan the bank transfer receipt.

For non-Argentinean participants, abstract fees can be paid:

- by check at the order of "ARDIVI CONGRES" ;

Address: ARDIVI CONGRES
 CHEZ DOCTEUR MARTINE GUIGON
 173 RUE DE CHARENTON
 75012 PARIS, France

- or by bank transfer to ARDIVI CONGRES
